ZIPLINE

350+ ft long zipline has its own adventurous feel which you cannot experience anywhere else, because it's just beside dam, giving you full view of dam, Backwater and surrounded by lush green mountains

BULL RIDE

Get your inner cowboy out and show your balancing skills on bull ride . Hold the rope tightly & dare to ride.

HUMAN GYRO

Get ready to challenge gravity and enjoy this amazing game !!! Where you can enjoy with your best buddies.

FUN TRAMPOLINE

What's the tile and bouncing experience with safety features . This dynamic trampoline provides an ideal outlet for energetic, play promoting fun with safe environment

SKY CYCLE

Balance on air bike which keeps you up at 25ft from bottom on, no wonder why we call it sky cycle. It offers an adventurous feel, you need twists to cycling, combining speed & courage for an unforgettable ride above the ground.

MELDOWN

Melt down game is an immersive gaming experience that transcend boundaries. Continuously push the boundaries and delivering engaging narratives and unforgettable gaming moments .

BODY ZORB

Wrestle with having huge air balloons covering up to your head, show your skills !

360 CYCLE

See world upside down on 360° cycle, the angle 360° cycle is a roller coaster designed to provide riders with a spine-tingling 360°-degree spinning adventure.

SLACK LINE

Balancing on a tape sling to cross the entire obstacle

ADVENTURE CLIMBING WALL

Don't ascend our adventure park's climbing wall, invite thrill-seekers to conquer the wall's vertical routes and challenging inclines, this towering structure offers adrenaline-pumping experiences for climbers of all skill levels. With its own wall-mounted harnesses and crash pads, it's an exhilarating opportunity to test courage, agility, and determination in a controlled, heart-pounding adventure.

SUPERMAN ZIPLINE

Superman zip line takes zip lining to the next thrilling level and allows you to experience its flight in superman form - forward facing and prone.
